

All Bidders

**Amendment -I**

**Subject: Supply, Installation, Testing & Commissioning of Medical Gas Manifold System for Govt. Medical College, Amritsar, Punjab.**

IFB No. : HSCC/SES/MGMS/GMC/Amritsar/2017 dated 07.12.2017

This has reference to above IFB.

The following Amendment may be noted which shall be treated as part of the tender document and to be submitted duly signed & stamp along with tender.

Sr. No.	Bidders Queries	Reply/Clarification
1	For make of copper pipes: (Refe1 page no.. 13 of attached document VOL 4) Listed makes are Mehta/Mexflow/Rajco (Mehta & Mexfldw are actually same company. Attached is the document which proves the same that Mehta tubes produces copper pipes of Mexflow brand). Thus, the tender is getting locked with only two copper pipe manufacturers when lloyd certified Copper pipes are produced by many other companies in India for e.g. Mandev Tubes.	Makes of Copper pipe are Mexflow/Rajco/Precision
2	Similarly for pressure gauges there are several local companies available when actually there is no need to specifically mention any make which is also not a brand. (Refer page no. 13 of attached document Vol-4)	Tender Terms & Conditions prevail.
3	Gas Outlets (Imported)  We request you to mention that the outlets shall be European CE certified with Notified no. / UL Listed. It justifies the better quality of outlet	Outlets shall be European CE certified with Notified no. / UL Listed
4	Alarm System (Imported)  We request you to mention that the alarm system shall be European CE certified with Notified no. / UL Listed. It justifies the better quality of Alarm System.	Alarm system shall be European CE certified with Notified no. / UL Listed.
5	BPC Flow Meter with Humidifier (Imported)  The tender states that BPC Flow Meter With Humidifier shall be imported. We want to state that there are many good Indian manufacturer who manufactures good quality Flow Mater. So, we request Indian BPC Flow meter to be accepted.  Based on the above facts, we request you to accept our suggestion for the necessary amendments.	Tender Terms & Conditions prevail.
6.	Vol-1, Page No. 3	Bid Document Fee and EMD

	<p>Bid Security : Rs. 3,04,000/-</p> <p>We are registered for similar works under NSIC (A Government of India Enterprise), accordingly as per NSIC guidelines their registered vendors are exempted from depositing Tender Fee and EMD, which may please be noted and added in your tender commercial terms, as mentioned in other government tenders for such job, a tender from HSCC, Kolkata Medical College (Amendment-01) is enclosed for your quick reference.</p> <p>Guideline for exemption of NSIC registered companies in EMD and cost of tender is enclosed herewith for quick reference.</p>	<p>for NSIC registered firm is exempted.</p>
7	<p>Vol-II 10.2,</p> <p>All duties, taxes including GST, work contract tax , building &amp; construction/ labourcess, GST etc. and other levies payable by the contractor under the contract including contractors profit and overheads etc. or for any other cost shall be included in the rates and prices and the total amount of bid submitted by the bidder. The evaluation and the comparison of bids by the Engineer shall be made accordingly.</p> <p>Suggestion:</p> <p>GST for supply and installation should be charges separately with indicating the GST on each item. It will help Client and contractor to reimburse the GST on actuals against the bills.</p>	<p>Tender Terms &amp; Conditions prevail.</p>
8	<p>Vol-III Additional Specific Condition of Contract, 4.2,</p> <p>The contractor shall submit the original “Excise Paid Certificates”, and exit Gate passes from manufacturer’s factory/works clearly bearing the batch numbers and date of dispatch.</p> <p>Suggestion:</p> <p>As Excise Duty is no longer applicable, kindly remove this clause.</p>	<p>Excise duty deleted</p>
9	<p>Vol-III, 11.0</p> <p>Sample and Prototypes</p> <p>The contractor shall submit samples of valves, controls, copper pipes, gas, outlets,alarms and or any other parts or equipment as required by the Consultant for prior approval in writing before placing the order. The contractor shall also construct prototype or samples of work as laid down in the contract or as instructed by the consultant. Such samples and prototypes after approval shall be retained by the consultant and shall serve as the standards to be achieved in final construction.</p>	<p>Tender Terms &amp; Conditions prevail.</p>

	<p>Suggestion: The equipment shall be selected and approved on basis of recommendation in specification, submittals and datasheets and later on test certificates. Kindly remove this clause as it is time consuming and logistics.</p>	
10	Guarantee and Defect Liability Period	Tender Terms & Conditions prevail.
11	<p>Vol-III Manufacturer's Authorization</p> <p>Suggestion: The items asked are indigenous and available in open market and being sold through their distributor, hence not possible to have Manufacturer Authority letter and also these companies do not give exclusive or non-exclusive letter, therefore please remove this requirement also this is against CCI ACT 2002.</p>	Tender Terms & Conditions prevail.
12	<p>Technical Specification</p> <p>Fully Automatic Nitrous Oxide control panel and its manifold</p> <p>Suggestion: The specification or its requirement is not mentioned in the tender. We assume its not required in the tender. Please confirm.</p>	Tender Terms & Conditions prevail.

All other terms & conditions remain unchanged.
