3	NOTICE INVITING e-TENDER - BANK GAURANTEES - Performance Security/Retention Money	Kindly clarify BG towards Performance Security/Retention Money to be furnished in favour of "Senior Chief Executive, Ministry of Health & Wellness, Government of Mauritius" or in favour of M/S HSCC ( India ) Ltd. Plot No. 6 ( A ), Block E, Sector – 1, NOIDA -201301.	Senior Chief Executive, Ministry of Health & Wellness, Government of Mauritius
4	<b>INSTRUCTIONS TO BIDDERS, A. General – Clause no 46, page no 47</b> RCC WORKS Suitable batching plant with pumping arrangement required for the project to be installed at site for the all RCC works. In case break down of the batching plant suitable alternative arrangement is to be made by the contractor to avoid any interruption in RCC work. The alternative arrangement with engineer's advance approval of design mix to be kept ready for such emergency so that RCC can be readily available within 12 hrs of breakdown of batching plant.	As quantity of RCC to be execute is merely around 885 cum, so it shall not be feasible and will increase the unnecessary cost of project.  Thus, we request you rule out the necessary requirement of batching plant to be installed at site. and do allow the RMC (ready mix concrete) from nearby already installed RMC plant.	As per Tender Condition.
5	<b>Additional Specific conditions of contract and specifications - Clause no 25 of 9A) page no 61, clause 31 of (B) -</b> Operation and Running of entire system-The contractor shall pay for and arrange for operation & running of entire sanitary, plumbing and firefighting system including pumps and RO plant, solar water heating system etc. for a minimum period of one month after satisfactory completion of work as desired by Engineer. Cost of operation & running of entire system including required material e.g. fuel, consumables, tools & tackles, requisite manpower etc. shall be deemed to be included in the contract price and nothing extra shall be paid.  31. Operation and Running of entire system -The contractor shall pay for and arrange for operation & running of entire electrical system including DG sets, lifts and other equipment for a minimum period of one month after satisfactory completion of work as HSCC/Mauritius/Renal/2022 SCC Page No. 71 desired by Engineer. Cost of operation & running of entire system including required material e.g fuel, consumables, tools & tackles, requisite manpower etc. shall be deemed to be included in the contract price and nothing extra shall be paid.  25. Operation and Running of entire system -The contractor shall pay for and arrange for operation & running of entire HVAC system for a minimum period of one month after satisfactory completion of work as desired by Engineer. Cost of operation & running of entire system including required material e.g fuel, consumables, tools & tackles, requisite manpower etc. shall be deemed to be included in the contract price and nothing extra shall be paid.	Please clarify that operation and running of systems shall be done for how much hours per day	Operation and running shall be done 24 x 7 or as per direction of Engineer in-charge.

6	<p>Additional Specific conditions of contract and specifications, Clause no 3.0,3.1 &amp; 3.2, Page no 53 - 3.1 The drawings issued with the Bid are diagrammatic only and indicate the extent and general arrangement of the installation. Drawings shall not be scaled.</p> <p>3.2 The Contractor shall follow the Bid drawings for preparation of his detailed sanitary, plumbing &amp; firefighting &amp; Shop drawings and for subsequent installation work. He shall check the drawings of other services to verify spaces in which his work will be installed. The Contractor shall examine all Architectural, Structural, Plumbing and other services drawings before starting the work and report to the Engineer any discrepancies and obtain clarification. Any changes found essential to coordinate installation of this work with other services, shall be made with prior approval of the Engineer.</p>	<p>The stated clause does not clarify that, whether design and drawings shall in contractor scope or not.</p> <p>We understand that client will supply all the detailed GFC drawings for execution. Please Confirm.</p>	<p>Refer Clause 1.0 of SCC. As per tender conditions only.</p>
7	<p>SECTION 7, PROFORMA OF SCHEDULES, SCHEDULE 'F', Clause 10CA</p>	<p>You are requested to include the structural steel in this clause please or applicable the clause 10CC.</p>	<p>As per Tender Condition.</p>
8	<p>SECTION 7, PROFORMA OF SCHEDULES, SCHEDULE 'F', Clause 10CC - NOT APPLICABLE</p>	<p>The existing clause of 10CA does not compensate the escalation value due to minor quantum of steel and cement. You are requested to applicable the clause 10CC.</p>	<p>As per Tender Condition.</p>
9	<p>ITB, Clause no 33[C], Page no 30 - Interest &amp; Recovery (C) The mobilization advance and plant and machinery advance in (a) &amp; (b) above bear simple interest at the rate of 10 per cent per annum and shall be calculated from the date of payment to the date of recovery, both days inclusive, on the outstanding amount of advance. Recovery of such sums advanced shall be made by the deduction from the contractor's bills commencing after first ten per cent of the gross value of the work is executed and paid, on pro-rata percentage basis to the gross value of the work billed beyond 10% in such a way that the entire advance is recovered by the time eighty per cent of the gross value of the contract is executed and paid, together with interest due on the entire outstanding amount up to the date of recovery of the installment. .</p>	<p>We request you to provide Mobilization Advance interest free.</p>	<p>As per Tender Condition.</p>
