IFB No. HSCC/SES/SJH/CAR PARKING/2018/2 dated 11.09.18

This has reference to above IFB.

The following Amendment may be noted which shall be treated as part of the EOI document and to be submitted duly signed & stamp along with tender.

Sr. No.	Bidders' Queries	Reply
1	As it's a very large project involving a lot of drawing, designing and planning, you are requested to kindly extend the due date for submissions of the proposals by 15 days i.e. from 5 th October'18 to 20th October' 18	Tender is extended till 12.10.18.
2	Page No. 6, Point No. 4 (d) Qualifying Criteria Single Firm / or the lead member of consortium of firms must have completed one of the following criteria of completion on of similar nature of work in last 7 years , completion of which falls at least one day earlier of the last day of submission of EOI: Instead of Lead Member, we would request to kindly allow Any Member of the consortium firms must have completed.	EOI terms and conditions prevail.
3	You are requested to provide the soft copies of the drawings in CAD format as that will not only help but also expediate our design process.	Prospective bidders may collect soft copies of drawings from HSCC office.
4	Page No. 2/24 NOTICE INVITING EXPRESSION OF INTEREST (EOI) HSCC (India) Ltd. on behalf of Safdarjung Hospital, New Delhi invites on line "Expression of	You are requested to submit your proposal as per EOI terms and conditions.

	<p>Interest” from prospective Firms/ Consortium of Firms having experience and sound back ground of two / Multi Level Car Parking System for setting up for the work of “Plan, Design, Supply, Installation , Testing ,Commissioning & Operation of Two Level Car Parking System including Parking Management System on Turn Key Basis at basement of Emergency& Super Speciality Block, Safdarjung Hospital, New Delhi.</p> <p>Please clarify the type of system to be proposed to be supplied as in 2 level we have a Dependent type twin parking system and 2 Level Overground Puzzle Parking system also. For such kind of public parking we suggest you to go for 2 Level Overground Puzzle Parking system. Also please confirm the detailed scope of work and technical specification of the system required since we have to submit the Budgetary cost for the turnkey work also. The turnkey is a vast term which doesn’t clarify the items and scope of work. request you to please clarify what all items are to be considered while quoting the pricing?</p>	
5	<p>Page No. 7/24</p> <p>3.1 EOI PROPOSAL TO BE SUBMITTED BY BIDDERS:-</p> <p>Plan, Design, Supply, Installation, Testing & Commissioning of two level car parking system , car parking management system with 5 years warranty/DLP to accommodate car parking for maximum no. of cars as per drawing provided and site condition for Emergency &Super speciality Block , Safdarjung.</p> <p>Request you to please share the Drawing in AutoCAD format (Basement Plan + Section Plan) enabling us to submit the drawings and car parking layout accordingly.</p>	<p>Prospective bidders may collect soft copies of drawings from HSCC office.</p>
6	<p>Page No. 21/32</p> <p>Power of Attorney</p> <p>FORMAT FOR POWER OF ATTORNEY FOR AUTHORISED SIGNATORY OF CONSORTIUM MEMBERS</p> <p>Request you to please provide us the Power of</p>	<p>Power of Attorney to sign the bid for Individual bidder/firm is to be provided in Non Judicial stamp paper.</p>

	Attorney format if any for Individual Bidder/Firm, or else we shall share the POA in our standard format.	
7	<p>Page No. 6/24</p> <p>QUALIFYING REQUIREMENTS</p> <p>Since it's a turnkey project where supply, installation, testing, commissioning and comprehensive maintenance for 5 years is in the scope of the contractor so we suggest that in the qualifying criteria experience certificate of operation and comprehensive maintenance should also be taken from the contractor , so that department also gets good contractors who can maintain and operation the systems for 5 years after handing over.</p> <p>We suggest that-The firm should have completed at least one work for minimum of 3 years continuous comprehensive maintenance and operation of 3 or above Pit Type/Over ground Puzzle type multi-level electro mechanical car parking system in the PSU/Govt Bodies during last 5 years up to December 2017.</p>	EOI terms and conditions prevail.
8	<p>Page No. 6/24</p> <p>QUALIFYING REQUIREMENTS</p> <p>b) Foreign Firm /Consortium of Firms shall have an Indian Associate.</p> <p>In Case of above clause, Indian Associate should have experience in Mechanised Car Parking Systems.</p>	EOI terms and conditions prevail.
9	<p>Page No. 6/32</p> <p>QUALIFYING REQUIREMENTS</p> <p>Single Firm / or the Lead member of consortium of firms shall have a experience and sound background for at least Five Years for two/Multi Level Car Parking System</p> <p>Request you to allow only Original Equipment</p>	EOI terms and conditions prevail.

	Manufacturers having experience in Design, Supply, installation, Erection, testing and commissioning of automated Mechanised Multilevel Car Parking systems to participate and submit their bids for the subject project. In case of JV/partnership firm the lead member should be the OEM of automated Mechanised Multilevel Car Parking systems & should have financial & Equity share in the BID/JV consortium.	
10	<p>Extension of Time</p> <p>Since it's a turnkey project and costing/pricing has to be worked out for all the items & options to be proposed , considering the same we request you to extend the tender submission date upto 12/10/2018.</p>	Tender is extended till 12.10.18.

The bid submission date is extended from 05.10.2018 to 12.10.2018.

All other terms & conditions remain unchanged.
