5.	<p>The budget is not sufficient it may please be enhanced as also in previous bid the budget was not in accordance to the kind of turnkey work asked, further the cost after this covid -19 pandemic also increased at every point right from the manufacturing till execution for additional safety and limitation of facilities. Also you have added the some of the equipment in this tender like instrument trays, RO water, sterile containers with good quantity and etc. this also need to enhance the budget so please look into the matter and enhance the budget of 1.5 more Crore excluding CMC from current budget of 6 crore. i.e. approx. 7.5 Crore excluding cmc. This shall help you to conclude this project and enable you to avoid further retendering of such a time bound project.</p>	Tender terms & conditions prevail
6.	<p>TURNKEY WORKS 1. The area of CSSD in sq. mtrs. To be developed is not specified in the tender. It should be clearly specified in sq. mtrs. The CAD drawing should also be provided for the area available to develop CSSD. 2. Also please note the kind of turnkey work asked in the tender attracts a good cost for quality work to be executed in accordance to the specification. so if any point of time HSCC still not get convince even after becoming L-1 and submission of justified orders by the L-1 bidder. The award criteria must be like that the award may be done for equipment supply without turnkey work to the L-1 bidder to avoid delay in execution of this tender as also our experience that we have quoted and became L1 in equipment pricing and total bid pricing too in previous tender with submission of justified turnkey orders along with the bid which made clear that we were the L-1 bidder for complete overall bid. Further if any of the expert in evaluation committee finds the turnkey job is not justified it may be taken over by HSCC itself.</p>	Tender terms & conditions prevail
