Tender Specifications Item No.2,

CT - Simulator

①

CNCI - Kolkata Decision

1. CT Scanner System

1.1 The system should be of latest slip ring technology allowing acquisition of 16 slices per rotation with true isotropic volume acquisition and sub millimeter resolution of an at least 0.4 mm

M/s Siemens Healthiners has Requested Change:-

1. CT Scanner System

1.1 The system should be of latest slip ring technology allowing acquisition of 16 slices per rotation with true isotropic volume acquisition.

M/s Wipro GE has Requested Change:-

1. CT Scanner system

1.1 The system should be of latest (Please mention time frame, Ex: launching time of equipment not more than 5 years) slip-ring technology allowing acquisition of 16 slices per rotation with true isotropic volume acquisition and sub millimeter resolution of an at least 0.4mm.

REASON

To get current generation equipment from all the vendors.

1.1 The system should be of latest slip ring technology allowing acquisition of 16 slices per rotation with true isotropic volume acquisition and sub millimeter resolution of an at least 0.625mm or less. The quoted model must have AERB type approval /NOC at the time of bid submission.

2.1 High frequency x-ray generator with an output of at least 80 KW or more to support continuous and sustained operation. Please give details.

M/s Philips has Requested Change:-

High Frequency generator with an output of at least 60 KW or more to support continuous and sustained operation. Please give details

2.1 Tender terms prevail.

3.1 Tube current: 30-600 mA or more. The mA rating at peak generator power must be mention.

M/s Philips has Requested Change:-

Tube current of 30-500 m A or more .The m A rating at peak generator power must be mentioned.

3.1 Tender terms prevail.

3.4 The x-ray tube should have anode heat storage capacity of 5 MHU or more.

M/s Wipro GE has Requested Change:-

3.4 The x-ray tube should have anode heat storage capacity of 8 MHU or more.

3.4 Tender terms prevail.

M/s Philips has Requested Change:-

The X-Ray tube should have anode heat storage capacity of 8 MHU .

3. X-ray Tube

3.6 The x-ray tube should have dual focal spot (please specify the size of each focal spot). The automatic selection of focal spot should be possible.

M/s Siemens Healthiners has Requested Change:-

3. X-ray Tube

3.6 The x-ray tube should have single/dual focal spot (please specify the size of each focal spot

3.6 The x-ray tube should have dual focal spot or equivalent (please specify the size of each focal spot).

The automatic selection of focal spot

Commercial Amendment Request

GCC Clause: Spare Parts 12.1.b.ii
Page No - 32

Immediately following such discontinuation, providing the Purchaser / Consignee free of cost, the designs, drawings, layouts and specifications of the spare parts, as and if requested by the Purchaser / Consignee

M/s Siemens Healthiness has Requested Change:-

We request to replace this clause with requirement for the supplier to provide an undertaking to provide spare parts for specific period of time (e.g. 10 years)

Justification/Explanation

Designs, drawings or layouts etc. of spare parts are the "Intellectual Property Rights" of the Siemens Healthcare GmbH are not under sale along with the concerned equipments under the equipment supply contract. We confirm the availability of spare parts for a period of 10 years from the date of installation and provision of comprehensive warranty and services during the said period. Therefore, this would obviate the need for submission of any designs, drawings, or layouts etc. of the spare parts as required under clause 12.1(b) of GCC. We bring to your kind attention that HSCC has already amended such clause in the previous tender.

Supplier shall provide an undertaking to provide spare parts for specific period of time for 10 years.

GCC: Warranty: Clause 15.10
Page No -34

The Supplier along with its Indian Agent and the CMC Provider shall always accord most favoured client status to the Purchaser vis-à-vis its other Clients/Purchasers of its equipments/machines/goods etc. and shall always give the most competitive price for its machines/equipments supplied to the Purchaser/Consignee

M/s Siemens Healthiness has Requested Change:-

The Supplier along with its Indian Agent and the CMC Provider shall always accord most favored client status to the Purchaser vis-à-vis its other Clients/ Purchasers in India. of its equipments/ machines/ goods etc. and shall always give the most competitive price for its machines/ equipments of identical description (i.e. same nature, class, specifications prevailing exchange rate, warranty, quantity and other commercial terms & conditions) supplied to the Purchaser/Consignee. This undertaking shall be valid until installation of the equipment or 12 months from delivery of the equipment, whichever is earlier.

Justification/Explanation:

Price Fall Clause (a) Not limited to India, (b) Not limited to a time period and (c) Not limited to identical description of supplies/services. We also shared that Siemens values its commitments the most, therefore, is reluctant to commit to any open ended Price Fall clause like above which Siemens may not be able to fulfill. We kindly inform that prices are determined by market and by you by choosing the lowest 1. Further, the terms like "most favored customer" and "most competitive price" are not defined. Siemens doing business in more than 100 countries and therefore, it is not possible for Siemens to fulfill the obligations under this clause.

Tender terms prevail.

Handwritten notes and signatures on the left margin, including dates like 27/11/18 and 27/11/2018, and names like R.D. 27/11/18, R.D. 27/11/2018, and others.

SCC - Point no-9-c
Reimbursement of Custom Duty
Page no -43

If the custom duty amount as mentioned in the price schedule section -XI (B) is less than the actual total custom duty amount levied by custom department, the custom duty amount as mentioned in the price schedule section -XI (B) shall be prevail and reimbursed to the supplier at rate of exchange rate mentioned on the bill of entry in INR accordingly

M/s Siemens Healthiners has Requested Change:-
Please delete this clause
Justification/Explanation:
Custom duty to be paid as per the actual based on the documentary proof.

Tender terms prevail.

SECTION VI
Required Delivery (Schedule-a)

For Indigenous goods or for imported goods if supplied from India:(i) Delivery period for Radiology, Radio therapy Equipments: 90 days from date of Notification of Award to delivery at consignee site. The date of delivery will be the date of delivery at consignee site.

M/s Siemens Healthiners has Requested Change:-
For Indigenous goods or for imported goods if supplied from India:
(i) Delivery period for Radiology, Radio therapy Equipments: 90 days from date of Notification of Award and **Letter of Credit** to delivery at consignee site. The date of delivery will be the date of delivery at consignee site.

Tender terms prevail.

(ii) Installation and commissioning period Radiology, Radio therapy Equipments:- 90 days for receipt of the stores/ goods delivery at site or 90 days from handing over the site or instruction for installation, whichever is later.

(ii) Installation and commissioning period Radiology, Radio therapy Equipments:- 90 days for receipt of the stores/ goods delivery at site or 90 days from handing over the site or instruction for installation **along with availability of permanent power**, whichever is later.
Justification/Explanation:
The local accessories quoting in INR to be delivered along with main equipment. Installation time 90 days from the date of receipt of goods site handing over with availability of permanent power, whichever is later.

SECTION VI

For Imported goods directly from foreign through LC:

M/s Siemens Healthiners has Requested Change:-
For Imported goods directly from foreign through LC:

For item no 2 to 4:

Required Delivery Schedule-b)

(i) Delivery period for Radiology, Radio therapy Equipments: 90 days from date of Notification of Award to delivery at consignee site. The date of delivery will be the date of delivery at consignee site.

(i) Delivery period for Radiology, Radio therapy Equipments: 90 days from date of Notification of Award and **Letter of Credit**. The date of delivery will be the date of **AWB/Bill of Lading**.

(ii) Installation and commissioning period Radiology, Radio therapy Equipments:- 90 days for receipt of the stores/ goods delivery at site or 90 days from handing over the site or instruction for installation, whichever is later.

(ii) Installation and commissioning period Radiology, Radio therapy Equipments:- 90 days for receipt of the stores/ goods delivery at site or 90 days from handing over the site or instruction for installation along with **availability of permanent power**, whichever is later.
Justification/Explanation:
Delivery of the main equipment has to be from the date of

Delivery period:-90 days from the date of opening of clean and confirmed **Letter of credit**. The date of delivery will be the date of **AWB/Bill of Lading**.

Handwritten notes and signatures on the left margin, including dates like 27/11/18 and 27/11/18, and names like R.D. Das, P. K. Das, and others.

	<p>reached Purchaser/Consignee may consider termination of the contract as per GCC 24</p>	<p>delivery or performance subject to a maximum of 5% of the contract price. Once the maximum is reached Purchaser/Consignee may consider termination of the contract as per GCC 24</p>	
<p>Page 42</p>	<p>The pre-delivery inspection carried out by third party Inspection agency viz LLOYDS/SGS /Bureau Veritas/ TUV or any other with same high status inspection agency. The supplier shall arrange III party inspection agency approved by HSCC. All charges for III party inspection shall be borne by the supplier. Therefore same charges shall take into consideration in its bid.</p>	<p>M/s Wipro GE has Requested Change:- The pre-delivery inspection carried out by HSCC.</p>	<p>Tender terms prevail</p>
	<p>Special Requests:</p>	<p>M/s Wipro GE has Requested Change:- i) Please provide the site layout for each equipment with proposed developing area. ii) Delivery of the equipment will be as per approval from AERB. iii) Electrical power at site will be provided by the purchaser. iv) Requesting to extend the submission date by another 15 days from the corrigendum date.</p>	<p>AERB approved layout is attached. However, the cost for electrical and other charges during installation, testing and commissioning including Turnkey works shall be borne by the supplier. Bidders are requested to visit site before submission their bid. Electrical power line will be provided at site.</p>
