| <b>Sr. No.</b> | <b>Bidders' Queries</b>                                                                                                                                                                                                                                                                                                                                                                                                                                               | <b>Reply</b>                       |
|----------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------|
| 1              | <p>Para 2, Page 1</p> <p>Wall &amp; Ceiling System (SMS)</p> <p>As, Wall &amp; Ceiling System (SMS) is important part of Modular Operation Theatre; for authenticity and genuiness of the product, the certification should be European CE Certified with notified 4 digit body no. / UL Listed.</p> <p>We requested earlier also but no amendment have been issued so far. We request you to kindly incorporate.</p>                                                 | Tender terms & conditions prevail. |
| 2              | <p>Para 1, Page 5</p> <p>Touch Screen Control Panel<br/>(CE or UL Listed)</p> <p>Amendment IV dated 18.03.2019</p> <p>Please refer to the Touch Screen Control Panel; as per Amendment-IV dated 18.03.2019 it is amended to CE or UL Listed.<br/>As per BOQ, Touch Screen Control Panel is Imported.</p> <p>This has become contradictory item, as per certification it is indigenous whereas as per BOQ it is imported. The bidder will play with contradiction.</p> | Tender terms & conditions prevail. |

|   |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |                                    |
|---|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------|
|   | <p>Since as per BOQ, Touch Screen Control Panel is Imported, therefore for quality product, item should be called Imported.</p> <p>As per PGIMER Sangrur MOT Tender, the item is Imported.</p> <p>We request this should be strictly applied.</p>                                                                                                                                                                                                                                                                                                 |                                    |
| 3 | <p>Page 7 &amp; 8</p> <p>10. Hermetically Sealed Doors 2.1 (H) x 1.5<br/>10B. Double Leaf Door System (2.1 x 1.5)<br/>10C. Single Leaf Hinge Door System (2.1 x 1.0)</p> <p>In BOQ, Hermetically Sealed Door 2 sizes are mentioned: 2100 x 1500 mm and 2100 x 1000 mm whereas in Tech. Specs. it is Hermetically Sealed Door 2100 x 1500; Double Leaf Door System 2.1 x 1.5 &amp; Single Leaf Hinge Door 2.1 x 1.0.</p> <p>BOQ is not matching with Technical Specs. Technical Specifications Viz-a-viz BOQ is contradicting. Please confirm.</p> | BOQ will prevail.                  |
| 4 | <p><b>Ref. Touch Screen Control Panel</b> – As per Amendment No.4, you have amended it to CE or UL Listed.</p> <p>Please clarify whether you need an indigenous product or imported one.</p>                                                                                                                                                                                                                                                                                                                                                      | Tender terms & conditions prevail. |
| 5 | <p><b>Ref. Laminar Air Flow System</b> –</p> <p>Please clarify whether this product is of indigenous make or imported.</p>                                                                                                                                                                                                                                                                                                                                                                                                                        | Tender terms & conditions prevail. |
| 6 | <p><b>Ref. Online Central UPS</b> – We are in receipt of Amendment -4 for online UPS wherein it is mentioned that incase OT's are at different floor, then No. of UPS and standby for each floor will be provided along with UPS wiring –</p> <p>We therefore request you to kindly provide OT Complex Drawing with OT Room and UPS Room marking in the drawings to enable us to quote as per your requirement. Since online UPS is very costly equipment, hence indicative rates can't be quoted in tender based on assumptions.</p>             | Tender terms & conditions prevail. |
| 7 | <p>Please refer to Item Sr. No.20 of BOQ – Isolation Transformer – As per technical amendment issued, it has been amended to 20 KVA instead of 25 KVA but the same has not been amended in the BOQ.</p>                                                                                                                                                                                                                                                                                                                                           | Revised BOQ is attached.           |

|  |                                                         |  |
|--|---------------------------------------------------------|--|
|  | You are requested to kindly amend the same accordingly. |  |
|--|---------------------------------------------------------|--|

All other terms & conditions remain unchanged.
