EOI No. : HSCC/EOI/AIIMS/Surgical/IT/2016 dated: 22.06.2016

Reply to Pre Submission Queries raised by prospective applicants during pre -submission meeting held on 04.07.2016 at Surgery Seminar Room, AIIMS, New Delhi

S. No	Page, Clause	EOI Document Clause	Pre-Submission Queries	Reply
1	Page -4 Scope of work (Point -1)	solution including separate web-portal and Server Hardware & Software. HMIS & PACS should be centralized application	Scope and configuration of this solution.	To be mentioned in RFP.
2	Page -4 Scope of work (Point -1)	Any additional modules may be added later.	Will it affect the total cost or bidder need to pre-assume the total cost	Request for proposal (RFP) may be reffered.
3	Page -4 Scope of work (Point -1)	Efforts for deploying the same HMIS solution in other blocks should include Customisation, Training & Licenses based on the infrastructure & services of individual blocks and other requirements of the institute.	Is it apart from this Eoi / Tender, will AIMS/HSCC releases an another RFP for this	To be mentioned in RFP.
4	Page -4 Scope of work (Point -2)	Establishment of Network Infrastructure for Surgical Block- Supply, Installation, Configuration and Commissioning of LAN & Wi-Fi network as per the requirement of Institute.	How much is the commissioning area	
5	Page -4 Scope of work (Point -3)	Providing manpower for operation & maintenance for IT services for Surgical Block, AIIMS, New Delhi under Facility Management Services	How much manpower and how much time period is required	
6	Page -4 Scope of work (Point -4)	Supply, Installation, Testing, Commissioning & maintenance of Computer Hardware and Software (Desktops, Tablets, Thin Clients, Printers and Scanners etc.) and PACS workstation for Surgical Block.	How much Hardware i.e Desktops, Tablets, Thin Clients, Printers and Scanners etc.) and PACS workstation for Surgical Block is required	
7	Page -4 Scope of work (Point -5)	Establishment of Data Centre for Surgical Block Establishment of Data Centre for Surgical Block to cater requirements of Surgical Block. Planning for requirements of Hardware and Storage (scalable) for other blocks i.e. Mother & Child, new OPD, Emergency & Diagnostic, Geriatric Block and Service Blocks which will be added later.	How much is the capacity of the Data Centre for Surgical Block Establishment	
8	Page -4 Scope of work (Point -3)	Planning for ACMC, Operation and Maintenance support for 7 years.	Execution time period is not mentioned	
9	Page -4 Scope of work (Point -6)	HMIS of Surgical Block shall be interfaced/linked with HMIS of Existing AIIMS, AIIMS Trauma Centre, NCI Jhajjar & Safdarjung Hospital. However, present scope of work covers interfacing/linking of HMIS of Surgical Block with HMIS of existing AIIMS. HMIS integration/interfacing should cover followings for bi-directional flow of patients' data: a) Demographic details b) Prescriptions c) Electronic Medical Record (EMR) d) Laboratory & Radiology Reports e) Details of Surgeries etc. f) Medical History of the Patients i.e. diagnostic, treatment etc. in any of the above hospitals/institutes.	What is the configuration of existing software and what are the modules to be integrated?	

10	EOI, Eligibility Criteria, S.no 4, Page 5	<p>Experience of having completed/under execution* similar works during the last 7 years ending previous day of last date of submission of EOI: -</p> <p>The IT Firm/lead member in case of consortium should meet following criteria compulsory:-</p> <p>Three similar completed/under execution* works in hospitals with bed capacity of 300 beds or more or each costing not less than the amount equal to Rs. 5.0 Cr. (or equivalent US dollars as per exchange rate at the date of publication of EOI)</p> <p>Or</p> <p>Two similar completed/under execution* works in hospitals with bed capacity of 500 beds or more or each costing not less than the amount equal to Rs. 7.5 Cr. (or equivalent US dollars as per exchange rate at the date of publication of EOI).</p> <p>Or</p> <p>One similar completed/under execution* work in hospital with bed capacity of 1000 beds or more or each costing not less than the amount equal to Rs. 10.0 Cr. (or equivalent US dollars as per exchange rate at the date of publication of EOI).</p> <p>Similar works means-</p> <p>IT Firm/lead member in case of consortium should have completed/under execution* of Hospital Management & Information System (HMIS) in a large Hospital (including development, configuration, customization, integration & implementation) along with Development of IT Infrastructure (including installation & commissioning of server hardware, client-end and networking infrastructure) with/without Picture Archival & Communication System (PACS) and its interfacing with HMIS.</p>	In such Projects, different components may be placed through different purchase orders under same Project. Hence We request that multiple Purchase orders against Single Project should be considered in aggregate for value Consideration against specified Project.	EOI conditions remain unchanged.
11	Page No. 4 Point No. 3	Technical Manpower details	We understand that Technical manpower of Consortium Partner can also be furnished as per EOI requirement and same would be taken into consideration for evaluation of proposal. Please confirm.	To be taken into consideration.
12	Page 5 – Eligibility Criteria (Pt 4) Copy of work order & completion certificate(s)	Three similar completed/under execution* works in hospitals with bed capacity of 300 beds or more or each costing not less than the amount equal to Rs. 5.0 Cr. (or equivalent US dollars as per exchange rate at the date of publication of EOI).	Three similar completed/under execution costing not less than the amount equal to Rs. 1.0 Cr. (or equivalent US dollars as per exchange rate at the date of publication of EOI).	EOI conditions remain unchanged.
13	Page 6 – Eligibility Criteria (Pt. 5)	IT Firm having average annual financial turnover of Rs. 12.5 Cr. (or equivalent US dollars as per exchange rate at the date of publication of EOI) in last three financial years	IT Firm having average annual financial turnover of Rs. 7.5 Cr. (or equivalent US dollars as per exchange rate at the date of publication of EOI) in last three financial years	EOI conditions remain unchanged.
14	Page 5 – Eligibility Criteria (Pt 4)	Experience of having completed/under execution* similar works during the last 7 years ending previous day of last date of submission of EOI	Can this 7 years experience be any of the consortium member.	Only for lead member. EOI conditions remain unchanged.
15	Page 5 – Eligibility Criteria (Pt 4)	<p>The IT Firm/lead member in case of consortium should meet following criteria compulsory:-</p> <p>Three similar completed/under execution* works in hospitals with bed capacity of 300 beds or more or each costing not less than the amount equal to Rs. 5.0 Cr. (or equivalent US dollars as per exchange rate at the date of publication of EOI).</p>	We request you to change the lead member to "Consortium member" as the HMIS execution company may be one of the consortium member but not the lead bidder.	EOI conditions remain unchanged.
16	Page 6 – Eligibility Criteria (Pt. 5)	IT Firm having average annual financial turnover of Rs. 12.5 Cr. (or equivalent US dollars as per exchange rate at the date of publication of EOI) in last three financial years.	The turnover requirement of 12.5 Cr. should be for the lead bidder as well. Instead of 7 cr. of turnover for all the consortium member, can the lead bidder match the turnover requirement of 12.5 cr.	EOI conditions remain unchanged.
