

**All Bidders****Amendment -III**

**Subject: Installation, Testing and Commissioning of already supplied Equipment and pipelines of Medical Gas Manifold System including supply & installation of AGSS, Electrical Distribution Panel on Turn Key Basis at District General Hospital, Dikoya, Sri Lanka.**

**IFB No. : HSCC/SES/MEA/Sri Lanka/MGMS/2015 dated 14.09.2015**

Dear Sir,

This has reference to above IFB No. for the Subject works.

The following Amendment may be noted which shall be treated as part of the contract to be submitted duly signed & stamp along with tender.

	Bidder's Query	Amendment/Clarification
1	Clause 12: Insurance: Since our scope of work will be limited to only installation/labour and no equipments are being supplied by us. Yes, our team of installers will be covered adequately by personal insurance cover note.	Insurance for equipment shall be provided in case equipment is supplied
2	Clause 16: Supply & Installation of AGSS system: Under the current payment and inspection terms of the tender, it won't be possible for us to supply this equipment, moreover majority of the hospital these days do not go in for a AGSS system.	The item 'AGSS' may be dropped as usage of Nitrous gas for anaesthesia in OT is going to be reduced substantially day by day with the invent of alternate method.
3	Clause 33: Warranty: Since our scope of work will be limited to only installation/labour and no equipments are being supplied by us ,how can we give warranty for equipments or 95% uptime?	Warranty of Installation and workmanship of Installation testing and commissioning of the system should be provided.
4.	Clause 41: Payment: Since our scope of work will be limited to only installation/labour and no equipments are being supplied by us ,Inspection/third party inspection does not hold good, payment terms as mentioned in tender ,under "For items to be installed" are okay and we are in agreement.	Third party inspection is applicable in case any supply of Copper pipe.
5	Clause 53: Since our scope of work will be limited to only Installation/labour and no equipments are being supplied by us. No operating and maintenance manuals will be under our scope/purview.	Operation manual to be provided in case supply of equipment is there.
6	Section –III: Additional Specific condition of Contract: While it would be in bidders scope to do the minor civil	Laying of cables from source to transformer panel is deleted. As it is

	works required for installation, including Electrical, however laying of cables from source or transformer panel will not be in the scope of vendor, nor clauses 4 to 14, since no supply of equipment is in the bidder scope of supply.	already at the site.
7.	Under Technical Specifications Clause 1.1, 2.1, the second para reads:” The design of middle and bottom frames has been provided to fit both round and flat bottom cylinders safely. The manifold has been tested (hydraulically) at 3500 psig and necessary test certificates accompany along with the supply.”As mentioned earlier, bidders scope will be limited to installations of the equipments already supplied, quality, design, specifications, test certificates etc of these equipments do not fall under the purview of the bidder for this tender.	Tender Terms & Conditions Prevail.
8	Clause 16; Under Technical Specifications: Turnkey job: The scope of supply of the bidder will be limited to what is required to be installed, whether Electrical or minor civil work, within the Manifold room area only.	Tender Terms & Conditions Prevail.

Bidder should follow the tender terms & condition for the unanswered queries.

**Last date to fill/upload the tender through e-tendering extended up to – 26.10.2015 up to 15:00 Hrs.**

**Opening date and time through e-tendering extended up to – 26.10.2015 at 15.30 Hrs.**

**The revised estimated cost for above works is Rs. 22.2 Lakhs and EMD amounts to Rs. 44,400/-.**

All other terms & conditions remain unchanged.
